

NOTES TO USING THIS INDEX

When the main subject heading is an issue:

If the sub-heading is a televangelist's name, the issue was discussed by the televangelist.

If the sub-heading is a program name, the issue was discussed on the program , but not necessarily by the televangelist.

When the main subject heading is a person:

If the sub-heading is a televangelist's name, the person was discussed by the televangelist.

If the sub-heading is a program name, the person was shown speaking on the program. These entries are followed by the topic of his/her speech, indicated by [].

Individuals are cross-indexed by name and by organization, where appropriate.
